# Welcome to Aalborg!

## Dear guests

On behalf of Aalborg City Council I am pleased to welcome you to the International Youth Games 2025 in Aalborg.

This year is something truly special. We are celebrating the 50th anniversary of the very first Youth Games, which took place right here in Aalborg in 1975. That means that half a century of friendships, teamwork and unforgettable moments shared between young athletes from all Europe and beyond.

For one week, Aalborg will be buzzing with energy, laughter and the joy of sport. The participants will train, compete, cheer on each other and maybe even start friendships that last a lifetime.

The Youth Games have always been about more than winning. It is about meeting new people, sharing experiences and celebrating what brings us together.

I wish you a pleasant stay in Aalborg and look forward to meeting you!

Yours sincerely

**Lasse Frimand Jensen**

Mayor of Aalborg
